Re: Cornell-Dubilier Electronics Superfund Site  
Operable Unit 3 – Groundwater  
Remedial Design Report Approval

Dear Mr. Pender:

The U.S. Environmental Protection Agency (EPA) has completed its review of the Remedial Design Report for long-term groundwater monitoring at the Cornell Dubilier Electronics Superfund site dated April 2015. EPA's comments and concerns has been satisfactorily addressed, therefore, the Remedial Design is approved. If you have any questions regarding this matter, please call Diego Garcia of my staff at 212 637-4947.

Sincerely yours,

A handwritten signature in cursive script, appearing to read "Carole Petersen".
